

Yes I Will

Eddie Hoagland, Jonathan Smith, and Mia Fieldes

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

I choose to praise
To glorify glorify
The name of all names
That nothing can stand against

For all my days
Yes I will

Center My Life

Aaron Ivey and Brett Land

Turn my eyes to see You Jesus
In all Your glory
Turn my eyes
Tune my heart to sing in wonder
Of how You love me
Tune my heart

Oh my God forever You reign
Here and now
Hear the sound of Your name

Jesus
There is none more beautiful than Jesus
There is none more powerful
The risen Christ lifted high
Jesus now be glorified
Center my life on Your name
Center my life on Your name

Turn my eyes
Away from searching for lesser glory
Turn my eyes
Teach my heart
With all Your wisdom to live for Heaven
Teach my heart

Call Upon The Lord

Chris Brown and Steven Furtick

We need no other hiding place
Our hope is safe within Your name
This we know this we know
You promised never to forsake
What you began You will sustain
This we know this we know

I will call upon the Lord
For He alone is strong enough to save
Rise Your shackles are no more
For Jesus Christ has broken every chain

All of the heavens and the earth
Announce the fullness of Your worth
This we know this we know
And every enemy will flee
As we declare Your victory
This we know this we know

Jesus' name will break every stronghold
Freedom is ours when we call His name
Jesus' name above every other
All hail the power of Jesus' name

Another In The Fire

Chris Davenport and Joel Houston

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire
Standing next to me
There was another in the waters
Holding back the seas
And should I ever need reminding
Of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow to the things of this world
And I know I will never be alone

There is another in the fire
Standing next to me
There is another in the waters
Holding back the seas
And should I ever need reminding
What power set me free
There is a grave that holds no body
And now that power lives in me

There is another in the fire oh
And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between (us)

There is no other name
But the Name that is Jesus
He who was and still is
And will be through it all
So come what may in the space between
All the things unseen and this reckoning
I know I will never be alone
I know I will never be alone

There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
I'll count the joy come every battle
'Cause I know that's where You'll be
